Letter of Identification

To Whom it may concern,

This is a letter given to XXX to identify her as a volunteer for Noah's Ark Children's Hospice. Our volunteers support children with life-limiting and life-threatening conditions across North and Central London.

The children we support are some of the most vulnerable in our community and their families are struggling to get the essential items they require during self-isolation, as they are unable to leave their homes.

XXX is collecting and delivering essential items, groceries and/or medication, for extremely vulnerable families. Please do help them in any way you possibly can.

Do let me know if you require any further information.

With warmest regards,

Ani Roberts

Home Support Volunteer Manager
