

## North West network service mapping audit 2020

### Response form

For the standards we refer to in each of the following questions, please describe the geographical areas within your network region where they are being met. Please do this in a way which will make it as easy as possible for Together for Short Lives to draw these areas on our digital maps; for example, please reference ICS areas, STP areas, CCG areas (all England), health and social care trust areas (Northern Ireland), NHS boards (Scotland), local health boards (Wales) or local authority areas (UK-wide). For each question, please also describe how those services are funded, which organisations provide them – and if they are only available to children with certain conditions (for example, children accessing oncology services). Please add in any further details if you would like to, for example how many whole time equivalent (WTE) staff involved in meeting these standards. There is no word limit on your answer – please use all the space you need. Please do add further lines to each table if needed.

1. Infants, children and young people with a life-limiting condition can access palliative care at home provided by a multidisciplinary team that includes members of the specialist paediatric palliative care team<sup>1</sup>.

Name of individual professional, team or provider organisation	Geographical areas where this standard is being met	How this work is being funded (NHS, local authority or charitable)
Heywood, Middleton and Rochdale CCNT	Children have access to specialist nursing palliative care support 24/7. There is access to MDT support and also counselling services. We have access to a community consultant but no specialist level 4 trained consultants. Our children can access a team assessment which includes support from SALT, Physio , OT, ophthalmology, early years support and a community consultant. For children with oncology conditions we work collaboratively with the macmillan nurses and coordinate visits and on call with Palliative specialist nurse, CCNT, Derian and the Macmillan team.	There is 1 x WTE palliative specialist nurse and CCNT support. Derian House children's hospice are commissioned by the CCG to provide out of hours and cover when the palliative specialist nurse is on leave. CCNT cover 7 days a week 8am to 8pm Derian provide on call from 8pm to 8am and provide specialist cover for weekends and when the palliative specialist nurse is on leave.
Oldham Children's community nursing services (CCNT, CLTVT and spcial schools)	Children & young people (CYP) aged 0-19 have access to palliative nursing care at any stage of their palliative & EoL journey. Each CYP will have a named nurse who will coordinate all advance care planning and all MDT actions. All CYP have access to community paediatrician for palliative & EoL support and we also work in	All this care is funded via NHS and we have a separate contract with one regional hospice in relation to specific hospice at home provision. We have 1.0 WTE B7

	<p>partnership with all medical, nursing and AHP colleagues from within the community, secondary and tertiary centres. We also work collaboratively with several regional hospices and wider voluntary and social care services. We provide out of hours nursing support (on-call) on a 24/7 basis for EoL care provision.</p>	<p>Palliative care lead nurse, supported by all CCNT staff and CCNT covers 8-12mn over 365 days a year, with additional on-call as required.</p>
<p>Salford CCNT part of Salford Royal NHS Foundation Trust</p>	<p><b>Salford</b></p> <p><u>Details</u></p> <p>Palliative care is provided to children from members of the CCNT supported by senior members of the team with a specialist interest in palliative and end of life care. We have 4 staff who have the Palliative and end of life for children and young people qualification. We have support from community consultant paediatricians but no Specialist Palliative Care level 4 Consultant within Paediatric Services in SRFT however we have Community Paediatric support when needed. Our children have MDT support including OT/PT, Dietician, SALT. For children with oncology conditions we work collaboratively with the Macmillan Nurses and coordinate joint visits. We refer children to Derian House who can provide any out of hours support for the family.</p>	<p><b>NHS funded</b></p> <p><u>Details</u></p> <p>We have 4 CCNT staff who have the Palliative and end of life for children and young people qualification and support the rest of the CCNT. We operate 7 days per week 8am-8pm.</p> <p><u>Charitable</u></p> <p>Derian House Childrens Hospice can provide support for families who are referred into their service. They can also provide out of hours support.</p>
<p>Tameside CCNT</p>	<p>We cover Tameside and Glossop and provide cover from 8am-8pm. For children with oncology conditions we work collaboratively with Macmillan nurses and co ordinate visits with them when possible. We do not have access to any specialist level 4 trained consultants.</p>	<p>We have 9.2 WTE nurses on our team with 2x WTE with specialist palliative care training. Francis House is currently commissioned by the CCG to provide support with end of life care but we also have support from Derian House on a goodwill basis who help support our team with end of life care on call 8pm-8am.</p>
<p>Bury CCNT &amp; Special School's</p>	<p>Palliative and End of Life Care for Children &amp; Young People is provided by the CCNT with one member of the team having a specialist interest in Palliative and EOL</p>	<p>NHS funded</p> <p>One member of the team who has the</p>

	<p>care, and has the Palliative and End of Life care for Children &amp; Young People module.</p> <p>Children &amp; Young People are also supported by the wider MDT – Physio, OT Dieticians and SALT.</p> <p>Support from Community Paediatricians and specialist areas at Central Manchester Children's Hospital.</p> <p>We work closely with the Macmillan team at Central Manchester Children's Hospital,</p> <p>The Rainbow Trust offer support &amp; Derian House Children's Hospice for support and out of hours support.</p> <p>We also have support from Continuing care if a care package is required to support Families who have a Child/Young Person who is End of Life.</p>	<p>Palliative and End of Life for Children and Young Persons qualification.</p> <p>The CCNT service is available seven days per week, between 8 am and 8 pm</p> <p>Char</p> <p>Derian House support is charitable and provide support from the home care team out of CCNT hours.</p>
Derian House Children's Hospice	<p>South Cumbria, Lancashire, Greater Manchester.</p> <p>Children have access to specialist Palliative nursing care 24/7 (on-call service). There is access to perinatal team, ACP team, Counselling, sibling support, family support, play specialist, social workers, wellbeing services</p>	<p>Charity</p> <p>commissioned by 1/18 CCG to support CCNT to provide Out of hours and cover when Palliative care nurse on holiday.</p>
<p>Paediatric Macmillan Team .</p> <p>Based at Royal Manchester Childrens Hospital.Ward 84 (Paediatric Oncology Unit)</p>	<p>North West Region</p> <p>(19 Health / Education areas)</p> <p>All Families with a child with a Diagnosis of Cancer ... is open to all MDT here .</p> <p>Clic Sargeant SW team</p> <p>Oncology Psychology Service</p> <p>Physio/OT</p> <p>Dietician</p> <p>Play Specialists/ Youth worker</p>	<p>NHS</p>
Manchester children's Community Palliative care team	<p>City-wide region Map enclosed. Children and families have access to a 24 hours service with specialist nurses at end of life. Access to the MDT via nurses and RMCH, and charitable organisations.</p>	<p>CCG funded, NHS and Charity</p>
Bolton NHS Foundation Trust, Integrated	<p>Children and Young people (CYP) have access to continuing care nursing team</p>	<p>5.7 WTE CCNT NHS funded, including 2.8</p>

<p>Community Paediatric Services, Children's Community Nursing – Continuing Care Team (CCNT)</p>	<p>support 24 hours a day, who have experience in EOLC.</p> <p>Derian house children's hospice support provide support if families consent for their input and work jointly with CCNT</p> <p>If the child has a oncology diagnosis the Macmillan team lead care supported by oncology consultants and work jointly with CCNT and Derian house (if referred)</p> <p>Community paediatric consultants are also available to undertake home visits, but are not trained in EOLC.</p> <p>The CYP GP supports care delivery 24 hours a day- but are often reluctant to get involved in complex paediatric EOLC</p> <p>Specialist respiratory physios are available to support chest clearance and CYP have access to community OT, physio, SALT and dietician's.</p> <p>Adult nursing services such as Tissue viability nurses are also available to provide specialist advice.</p>	<p>WTE nurses who have completed end of live care modules, (with 0.7WTE to attend course September 21). Commissioned to work Mon- Friday 08:00-20:00 and 08:00-16:00 at weekends/ bank holiday.</p> <p>Overnight there is an on call service who provides telephone support. For EOLC the CCNT "go active on call" where the team will undertake out of hours home visits, usually with Derian house Hospital to home team or the Macmillan team at weekends.</p> <p>If these teams are busy then other CCNT members often volunteer to be the second person.</p> <p>All CCNT on call work relies on staff good will and flexibility within the service as the nurses are not supernumerary to the service and often rostered to work the next day. EOLC is prioritised over all other work.</p> <p>Challenges do arise when CYP do not have an oncology diagnosis and/or if the family refuses hospice support.</p> <p>Other professionals work Monday to Friday 8:30-16:30 pm (approx.)</p>
--	--	---

<p>Stockport Children's Palliative Care a part of Stockport NHS Foundation Trust</p>	<p>Although we don't have a full palliative care team yet, we are hoping to expand services in the near future. Children currently have access to nursing care support 24/7 at end of life from nurses with an interest in palliative care and complex needs, there is also local paediatrician who is the palliative care lead who the children have access to who work alongside the GP to provide care at home, this is in part currently a good will gesture as there isn't yet a team for palliative care. There is access to MDT support including support from SALT, Physio , OT and play therapy. We also have the option to refer for specialist counselling services at the Gaddum. For children with oncology conditions we work collaboratively with the Macmillan nurses and CCNT and the Macmillan team</p>	<p>NHS</p>
<p>Trafford Children's Community Nursing Team</p>	<p>Children and Families have access to the service who live within the borough of Trafford.</p>	<p>NHS</p>
<p>Alder Hey Specialist palliative care team</p>	<p>Direct support to child and family in their own home:</p> <ul style="list-style-type: none"> <li>• Eastern Cheshire</li> <li>• Halton</li> <li>• Knowsley</li> <li>• Liverpool</li> <li>• South Cheshire</li> <li>• South Sefton</li> <li>• Southport and Formby</li> <li>• St Helens</li> <li>• Wirral</li> <li>• Vale Royal</li> <li>• Warrington</li> <li>• West Cheshire</li> <li>• West Lancashire</li> </ul> <p>Specialist advice to local teams and services with home visits only when essential:</p> <ul style="list-style-type: none"> <li>• Blackpool</li> <li>• Chorley and South Ribble</li> <li>• Bolton</li> <li>• Greater Preston</li> <li>• Fylde and Wyre</li> </ul>	<p>NHS funded</p>

Page Break

2. Parents or carers of infants, children and young people approaching the end of life can access support for grief and loss at home when their child is nearing the end of their life and after their death.

<b>Name of individual professional, team or provider organisation</b>	<b>Geographical areas where this standard is being met</b>	<b>How this work is being funded (NHS, local authority or charitable)</b>
Heywood, Middleton and Rochdale CCNT	Children, young people and families have access to counselling support. We also work closely with Derain house family support and Rainbow trust children's charity they offer emotional support and sibling support. We meet every other month with all of these	We have a counsellor within our nursing team that is employed for 18hours per week. The CCG fund this post each year through SIF funding. Rainbow trust and Derian support – charitable.

	people to discuss the caseload of children with life limiting conditions/complex care with the palliative care specialist nurse and CCNT. We ensure that all support is coordinated and not duplicated.	
Oldham Children's community nursing services (CCNT, CLTVT and special schools)	We work collaboratively with three children's hospices and also with Rainbow trust children's charity, to ensure that the children & young people within our care receive the optimum emotional, financial and practical support at any point in their palliative journey. For CYP not receiving care from a hospice, we would signpost these families to locality, regional and national support agencies	All this care is funded via NHS and we have a separate contract with one regional hospice in relation to specific hospice at home provision. Two hospices and the Rainbow trust charities also provide this support alongside the NHS funded wider MDT team.
Salford CCNT part of Salford Royal NHS Foundation Trust	<p><b>Salford</b></p> <p><u>Details</u> Children, Young people and their families can access emotional support from the Gaddum Centre and from a psychologist. We meet with the support worker from Gaddum and the psychologist monthly to discuss caseload and new referrals Derian House also offer sibling support.</p>	<p><b>NHS Funded</b></p> <p><u>Details</u> We have a psychologist who is funded via the CCG to work 6 hours per week to support our families. She is flexible and can arrange her work to suit the families needs.  Our support worker from the Gaddum centre is also funded via the CCG for 4 hours once a week. They provide both telephone and face to face support (face to face pre covid)</p>
Tameside CCNT	Our families would seek support from Francis House/Derian House. We can also advise parents to seek support from Reuben's Retreat	Charitable
Bury CCNT & Special schools	Families will receive support from Derian House Children's Hospice, The Rainbow trust and the Macmillan team at Central Manchester Children's Hospice	NHS & Charitable
Derian House Children's Hospice	South Cumbria, Lancashire and Greater Manchester. Children and families are offered counselling, family support, play specialists, sibling support.	Charitable
Paediatric Macmillan Team	North West Region	NHS

Royal Manchester Childrens Hospital  Specialist Psychology Service  Clic Sargeant SW team  Youth Worker.( Teenage Cancer Trust)		And Winstons Wish
Manchester children's Community Palliative care team	Manchester City wide map attached  Manchester city wide map.pdf	CCG, NHS and Charity
Bolton NHS Foundation Trust, ICPS, CCNT	The CCNT have no access to NHS funded counselling services for CYP and families. Support for is provided by Derian house children hospice if referred, the Macmillan team if the CYP is under oncology services, family GP or voluntary services such as bereavement UK. This support is not necessarily home based.	Charitable funding and CCG GP funded resources and NHS oncology services.
Stockport Children's Palliative Care a part of Stockport NHS Foundation Trust	Families can access specialist counselling from the gaddum centre. We also refer to Francis house/Derian House dependant upon their involvement with the child and family. We also refer out to charities such as reubens retreat for support groups, 1-1 counselling and sibling support.	NHS and charity
Trafford Children's Community Nursing Team	Children and families who reside in Trafford have access to the Specialist Palliative care Nurse.	NHS

6. Children and young people with a life-limiting condition and being cared for at home have access to both children's nursing care and advice from a consultant in paediatric palliative care to manage their symptoms (not including end of life care), 24 hours a day, seven days a week.

Name of individual professional, team or provider organisation	Geographical areas where this standard is being met	How this work is being funded (NHS, local authority or charitable)
Heywood, Middleton and Rochdale CCNT	As described above in earlier sections.	
Oldham Children's community nursing services (CCNT, CLTVT and special schools)	CYP have access to community specialist nursing care 24/7 for EoL care provision and expertise from our community paediatricians. We would seek any additional medical EoL care support from a range of MDT colleagues such as primary care, secondary care, tertiary centre (RMCH) and our regional hospice colleagues as required on an out of hours basis for each individual case. However we do not have access to a level 4 trained palliative care consultant on a 24/7 basis. We rely on locality, secondary and tertiary medical colleagues to support any EoL care within the community.	All this care is funded via NHS and we have a separate contract with one regional hospice in relation to specific hospice at home provision.
Salford CCNT part of Salford Royal NHS Foundation Trust	<p><b>Salford</b></p> <p><u>Details</u></p> <p>CCNT provide nursing care and support 7 days per week 8am-8pm.</p> <p>We do not have access to a level 4 trained palliative care consultant. The community paediatricians will liaise with the GP and consultants from referring hospital to discuss and prescribe symptom management within office hours only</p>	<b>NHS funded</b>
Tameside CCNT	No access to a consultant in paediatric palliative care	
Bury CCNT & Special schools	<p>CCNT provide Nursing care &amp; support 7 days a week 8am-8 pm.</p> <p>Support from Community Paediatricians and Consultants at Central Manchester Children's Hospital.</p> <p>GP (Including out of Hours)</p>	NHS funded
Derian House Children's Hospice	As above	As above
Bolton NHS Foundation Trust, ICPS, CCNT	As above for nursing support. Access to palliative care consultant	NHS

	oncologist support if CYP under oncology service at RMCH, or under palliative care consultant at AHCH.	
Stockport Children's Palliative Care a part of Stockport NHS Foundation Trust	Symptom management prior to end of life would only be within normal working hours.	NHS
Trafford Children's Community Nursing Team	Children and families who reside in Trafford have access to CCNT and Specialist Palliative Care nurse 21/7 7 days a week at the end of their life but not at all times during their palliative journey.	NHS
No 24/7 provision for symptom management other than at end of life	Merseyside and Cheshire

7. Infants, children and young people with a life-limiting condition and their parents or carers can access emotional and psychological support at home.

<b>Name of individual professional, team or provider organisation</b>	<b>Geographical areas where this standard is being met</b>	<b>How this work is being funded (NHS, local authority or charitable)</b>
Heywood, Middleton and Rochdale CCNT	Children, young people and families have access to counselling support. We also work closely with Derain house family support and Rainbow trust children's charity they offer emotional support and sibling support. We meet every other month with all of these people to discuss the caseload of children with life limiting conditions/complex care with the palliative care specialist nurse and CCNT. We ensure that all support is coordinated and not duplicated. Psychological support is done on an individual basis some of our families and children are referred to specialist support at Royal Manchester Children's hospital.	We have a counsellor within our nursing team that is employed for 18hours per week. The CCG fund this post each year through SIF funding. Rainbow trust and Derian support – charitable.
Oldham Children's community nursing services (CCNT, CLTVT and spical schools	We work collaboratively with three children's hospices and also with Rainbow trust children's charity, to ensure that the children & young people within our care receive the optimum emotional, financial and practical support at any point in their palliative journey. For CYP not	All this care is funded via NHS and we have a separate contract with one regional hospice in relation to specific hospice at home provision. Two hospices and the Rainbow trust charities also provide this support

	receiving care from a hospice, we would signpost these families to locality, regional and national support centres and agencies.	alongside the NHS funded wider MDT team.
Salford CCNT part of Salford Royal NHS Foundation Trust	<p><b>Salford</b></p> <p><b><u>Details</u></b></p> <p>Children, Young people and their families can access emotional support from the Gaddum Centre and from a psychologist. We meet with the support worker from Gaddum and the psychologist monthly to discuss caseload and new referrals. They can offer home visits (pre covid) and telephone support. They negotiate with the family how often the support is needed and amend accordingly. Derian House also offer sibling support.</p>	<b>CCG funded</b>
Rainbow Trust Children's Charity- offering emotional and practical support to families with a life threatening or terminal illness	Greater Manchester, Cumbria, and Lancashire.	Charitable, not for profit
Tameside CCNT	Families would seek support from Derian house/Francis house or Reuban's Retreat.	charitable
Bury CCNT & Special school's	Families receive support from Derian House Children's Hospice, the Macmillan & Oncology Team at Central Manchester Children's Hospital and Rainbow Trust	NHS and Charitable
Derian House Children's Hospice	South Cumbria, Lancashire, Greater Manchester. Access to counsellors, family support, sibling support, play specialist.	charitable
Paediatric Macmillan Team (For children with Cancer diagnosis)  Specialist Psychology service...  Clic Sargeant SW	North West Region	NHS

(All available for home visits pre covid)		
Manchester children's Community Palliative care team	Manchester City wide	CCG, NHS, Charity
Bolton NHS Foundation Trust, ICPS, CCNT	CCNT have no direct access to NHS funded psychological services. Referrals can be made via own GP. The Macmillan team access psychologists based at RMCH or support provide by Derian house. Support also available via child bereavement UK	NHS or charity
Stockport Children's Palliative Care a part of Stockport NHS Foundation Trust	Parents have access to counselling support from the Gaddum centre. We signpost to Reubens Retreat/Francis or Derian house for further emotional and sibling support	NHS and charity
Trafford Children's Community Nursing Team	Not answered
