

Tŷ Hafan Transition Hubs

➤ What we did.....

- Rolling programme of 'one stop shop' Hubs at adult hospices with range of paediatric/ adult staff – facilitated by Transition Nurse.

- 2 year programme with quarterly events in each of 3 settings.

➤ Key learning

- Fun/ social atmosphere as important as support available
 - Importance of key worker contact/ facilitator
 - Success related to strength of Consultant relationship

➤ Impact/ legacy

- Overwhelming positive feedback from young people, families and staff
 - Clear need for continued Transition Nurse/ Key worker support – substantive post
 - Focused activity on streamlining processes/ paperwork across several health board areas.
