Please provide a total, in addition to a breakdown of funding per hospice organisation.***

I can confirm the ICB does not record or hold this level of detailed data.

- Please set out how many children and young people with life-limiting or life-threatening conditions who live in your integrated care board footprint could benefit from children's hospice care.***

I can confirm the ICB does not record or hold this total dataset.

The ICB does hold data on numbers of Children and Young People (CYP) (0-18) with NHS CC needs with physical care needs – however this is only a portion of the CYP. For young people aged between 18 – 25 who may access adult hospices services we do not receive any datasets broken

down to the level requested. The individual adult hospices may potentially hold this detail. Namely, Arthur Rank Hospice, Thorpe Hall, Sue Ryder Care.
