Subject: Children's Palliative Care

I can confirm that the CCG does hold the information requested; please see responses below:

QUESTION	RESPONSE
1. Do you have a children's palliative care service specification? (Yes/No). If so, please attach a copy to your response to this request.	No, currently there is no specific palliative care service specification in place. Palliative care is included in other service specifications.
2. Do you have a children's palliative care service specification which states that infants, children and young people with a life-limiting condition and their parents or carers should have opportunities to be involved in developing an advance care plan? (Yes/No)	No
3. Do you have a children's palliative care service specification which states that infants, children and young people with a life-limiting condition should have a named medical specialist who leads and coordinates their care? (Yes/No)	No
4. Do you have a children's palliative care service specification which states that infants, children and young people with a life-limiting condition and their parents or carers should be given information about emotional and psychological support, including how to access it? (Yes/No)	No

<p>5. Do you have a children's palliative care service specification which states that infants, children and young people with a life-limiting condition should be cared for by a multidisciplinary team that includes members of the specialist paediatric palliative care team? (Yes/No)</p>	<p>No</p>
<p>6. Do you have a children's palliative care service specification which states that parents or carers of infants, children and young people approaching the end of life should be offered support for grief and loss when their child is nearing the end of their life and after their death? (Yes/No)</p>	<p>No</p>
<p>7. Do you have a children's palliative care service specification which states that infants, children and young people approaching the end of life and being cared for at home should have 24-hour access to both children's nursing care and advice from a consultant in paediatric palliative care? (Yes/No)</p>	<p>It is in the Children's Community Nursing (CCN) service specification to provide 24 hour on call at end of life if the child or young person has a nursing need.</p> <p>Consultant advice in palliative care available as required. CCG's contribute to 2 roles.</p>
<p>8. Do you have a children's palliative care service specification which states that infants, children and young people with a life-limiting condition and their families should have access regular short breaks for respite? (Yes/No)</p>	<p>No – short breaks are led by the local authority.</p>

The information provided in this response is accurate as of 25th March 2021 and has been authorised for release by NHS Isle of Wight CCG.
