Dear Mr Steer

Re: Freedom of Information Request

Please find below the response to your recent Freedom of Information request regarding Children's Palliative Care within NHS South Sefton CCG.

Request/[Response](#):

1. Do you have a children's palliative care service specification?

[No](#)

2. Do you have a children's palliative care service specification which states that infants, children and young people with a life-limiting condition and their parents or carers should have opportunities to be involved in developing an advance care plan?
3. Do you have a children's palliative care service specification which states that infants, children and young people with a life-limiting condition should have a named medical specialist who leads and coordinates their care?
4. Do you have a children's palliative care service specification which states that infants, children and young people with a life-limiting condition and their parents or carers should be given information about emotional and psychological support, including how to access it?
5. Do you have a children's palliative care service specification which states that infants, children and young people with a life-limiting condition should be cared for by a multidisciplinary team that includes members of the specialist paediatric palliative care team?
6. Do you have a children's palliative care service specification which states that parents or carers of infants, children and young people approaching the end of life should be offered support for grief and loss when their child is nearing the end of their life and after their death?

7. Do you have a children's palliative care service specification which states that infants, children and young people approaching the end of life and being cared for at home should have 24-hour access to both children's nursing care and advice from a consultant in paediatric palliative care?
8. Do you have a children's palliative care service specification which states that infants, children and young people with a life-limiting condition and their families should have access regular short breaks for respite?

For questions 2-8 – Not Applicable

Should you require any further information, clarification regarding this response or do not feel that your request has been answered as you would expect, please contact us to discuss.

We also wish to take this opportunity to inform you that a formal complaints and internal review process is available, which will be managed by a FOI Appeals Officer.

This can be formally requested and must be done within a reasonable period of time (3 calendar months) from the date this response was issued.

Where you are not satisfied with the response to a request for information that falls within the Environmental Information Regulations you should make a representation for a review to FOI Appeals Officer, southseftonccg.foi@nhs.net within 40 days of receipt of the response.

If you are not satisfied with our review under the Freedom of Information Act or the Environmental Information Regulations you may apply directly to the Information Commissioners Office (ICO) for a review of your appeal decision. Generally, the ICO cannot make a decision unless you have exhausted our complaints procedure. The ICO can be contacted at;

ICO, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF
www.ico.gov.uk

Should you need any further clarification or assistance please do not hesitate to contact me quoting the above reference.

Yours sincerely,

FIONA TAYLOR
CHIEF OFFICER
NHS South Sefton CCG
