Dear Mr Cooper

Freedom of Information Act 2000

I am writing concerning your request for information under the terms of the Freedom of Information Act 2000. On behalf of NHS Tameside and Glossop Clinical Commissioning Group (CCG), I can confirm the following in response to your request.

- 1. Do you have a children's palliative care service specification? (Yes/No). If so, please attach a copy to your response to this request.**

We do not have a standalone specification, but palliative care is included with the Childrens Community Nursing Team Specification, the Complex Care Nursing Team, Francis House Hospice and Reubens Retreat support our families.

- 2. Do you have a children's palliative care service specification which states that infants, children and young people with a life-limiting condition and their parents or carers should have opportunities to be involved in developing an advance care plan? (Yes/No)**

No, but this is done within our Complex Care Nursing Team who look after this group of young people.

- 3. Do you have a children's palliative care service specification which states that infants, children and young people with a life-limiting condition should have a named medical specialist who leads and coordinates their care? (Yes/No)**

No, but they are looked after by the Complex Care Nursing Team, who coordinates the care.

- 4. Do you have a children's palliative care service specification which states that infants, children and young people with a life-limiting condition and their parents or carers should be given information about emotional and psychological support, including how to access it? (Yes/No)**

We offer grant support to Reubens Retreat and Francis House Hospice who work closely with our families and their siblings to offer emotional support, peer support, wellbeing and short breaks.

- 5. Do you have a children's palliative care service specification which states that infants, children and young people with a life-limiting condition should be cared for by a multidisciplinary team that includes members of the specialist paediatric palliative care team? (Yes/No)**

No.
